Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture.
 Director, Cooperative Extension Service, West Virginia University.

4-H SPIN CLUB

4-H SPECIAL INTEREST CLUB

4-H IS LOOKING FOR PEOPLE LIKE YOU

We are looking for adults that have a talent or interest that they are willing to teach to young people in our community. We are planning now for **4-H SPIN** clubs that will meet in the next three to six months

WHY BECOME A 4-H VOLUNTEER?

Have a positive impact on the next generation of young people in our community by sharing your experience and knowledge in a subject you are passionate about. Help fuel the extraordinary efforts of our youth by joining us as a **4-H SPIN** club volunteer

WHAT ABOUT MY SCHEDULE?

4-H SPIN clubs are planned around the volunteer's schedule. Each club meets six or more times for at least one hour per session. Meeting dates are set by the volunteer, based on the availability of potential participants. The meeting location is selected for the type of activity and number of participants.

A **4-H SPIN** club is a special interest club where five or more young people learn about a topic of interest.

Topics vary and include areas of focus such as heritage arts, nature, photography, science, gardening, shooting sports, and more.

4-H SPIN clubs are led by volunteers who have a passion and want to share their knowledge with young people.
